SUBJECT — Removal of the Malur and Mulbagal Taluks from the Kolar Gold Fields Police charge.

LAST REFERENCE — Letter No. 1554/124 dated 17th September 1901 from the Offg Inspector General of Police in Mysore:

—

On the representation of the Mining Companies that the European Police Superintendent attached to the Gold field should be made to reside on the field itself, Government in their proceedings No. X 1090-5-6/1101 dated the 2nd April 1900 directed that the Taluks of Bowringpet (including the Gold Fields), Malur

MGCPB—20-2-1901-500

Malur and Mulbagal of the Kolar District be constituted into a Police charge with Head Quarters at Goriegaum and the rest of the District another Police "charge" with Head Quarters at Kolar, that this arrangement should be tried tentatively during Mr Hay's absence on leave or until further orders and that a report as to the working of the arrangement should be submitted at the end of that period.

Mr C. Hamlin was placed in charge of the former and Mr C. Narasina Rao in charge of the latter charge.

Meanwhile with a view to place the police administration of the Kolar Gold fields

on a better footing, it was resolved, among other things, to appoint, "as an experimental and tentative measure, a European officer of high status and special police experience as Superintendent of Police at the head of the Kolar Gold Fields' Force, with jurisdiction over the neighbouring taluks of Bowringpet, Malur and Mulbagal" and accordingly Mr. Mainwaring, whose services were placed lent by the Madras Govt, was appointed as Supdt of the Kolar Gold Fields range with effect from the 24th October 1900.

He now represents that the Taluks of Malur and Mulbagal are an unnecessary

burden to his range and recommends their removal for the following reasons:—

(1) The circumstances existing in the rural Talukas and in the field being absolutely different, and it is impossible to work them on anything like the same system.

(2) The Police are very backward.

(3) There is a vast amount of vernacular work the disposal of which he is dependant on his office, wherein there is not a single qualified clerk whose translation he can thoroughly depend upon.

The Deputy Commissioner states that he does not con- with the Superintendent

is necessary for the reasons given by him, but that if the Supdt desires the change, he has no particular objection to it.

The Offg. Inspector General forwards the correspondence for orders of Govt and states that he agrees with the ~~Dy~~ ~~Commissioner~~ the opinion expressed by the Dy Commissioner.

~~THE~~ SECRETARY TO THE GOVT. OF MYSORE,
GENERAL AND REVENUE DEPARTME

SIR,

I beg to submit herewith copies of letters Nos: 155 & 471 of the 5th & 12th September 1901, from the Superintendent of Police of the Kolar Gold Fields and the Deputy Commissioner of the Kolar District. It will be seen from the first that the Police Superintendent wants the Police charge of the Talukks of Malloor and Mulbagal to be taken away from him on the ground that it is inconvenient to him to manage them together with the Bowringpet Taluk, as the nature of the work to be done in the latter

(Gold Fields)

(Gold Fields) is very different from what has to be

done in rural parts. — The Deputy Commissioner,

however, does not think so and while not, recom —

mending the proposal says that he has no objectio.

to it inasmuch as the Superintendent has made it.

I agree with him and, solicit the favor of early —

orders in the matter.

Sir,

Your most obedient Servant,

Offg: Inspector General of Police.

Thro' the Dy: Commr:, Kolar.

Dated 5/6 September 1901.

No - 155.

Sir,

I have now worked the Gold Field range for ten months and have come to the conclusion that the Talukes of Malur and Mulbagal are nothing but an unnecessary burden to this range. The circumstances existing in the rural Taluks and on the field are absolutely different and it is impossible to work them on anything like the same System. Moreover, the Police are so backward that I could do nothing with them from my present position. I think therefore - that it is time to recommend the removal of the Talukes of Malur and Mulbagal from this

range as they only transfer me [illegible] me an amount of vernacular work for the disposal of which I am almost entirely dependent on my office wherein there is not a single qualified clerk whose translation I can thoroughly depend on. For the better working of the Kolar Fields' Police, I request that due consideration may be given to my suggestion that the above mentioned talaks may be removed from my range at a very early date.

Sir,

I have the honor to forward herewith letter No. 155 dated the 5th instant from the Superintendent of Police, Kolar Gold Fields, suggesting the transfer of the Police Jurisdiction of Malur and Mulbagal Taluks from his charge.

2. I would remark that I do not concur with the Superintendent in thinking that the transfer is necessary for the reasons given by him, but if he desires the change, I have no particular objection to it

3. The two Taluks will have to revert to the Kolar Assistant Superintendent's charge, leaving Bowringpet only to the Kolar Gold Fields; the same arrangement as was in force before.
